Propose the following change to Article X, Section 3:

“If the President or President Elect is unable to serve in the TDW add-on position on the SDEC, then the Vice-President may serve in her seat”.

Another proposed amendment was sent to amend the first proposal by **Tammie Hartgroves**:

Amended proposal is that if the President or President Elect is unable to fulfill their duty on the SDEC, then the Immediate Past President would serve in her seat.
