President's Message

If all had gone as planned, we would be meeting today in Decatur as guests of Rural North Texas TDW for the 2020 Summer Retreat. COVID-19, of course, is keeping us far apart and close to home instead until next year.

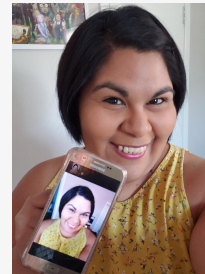

Some of us have escaped the pandemic so far, but it has been an utter disaster for so many. We who have good health and financial security have an extra obligation to put our time and treasure to work to turn Texas Blue, and, as Chairman Hinojosa says, save the nation and the world.

I hope you will join me in making Voter ID and election worker recruiting calls. If there ever was a year to help call voters and consider working the election, this is it. Phone banks have come a long way. Now we have the best of both worlds - being "in the room" with the organizer and other callers, minus all of the background noise. Get started today with the TDP and Hegar Campaign links to the right.

In it to win it,
Sue Barrick
